: INTERIM CONSENT ORDER

TO PRACTICE MEDICINE AND SURGERY :
IN THE STATE OF NEW JERSEY

This matter was opened to the New Jersey Board of Medical Examiners ("Board") upon receipt of a Commissioner's Order and Notice of Hearing ("New York Order"), issued on December 20, 2004 by the State of New York, Department of Health, State Board for Professional Medical Conduct ("New York Board"). The New York Order is based on Respondent having been convicted in New York State Supreme Court, Queens County, New York of attempted enterprise corruption, in violation of New York Penal Law § 110.00 and § 460.20, a class C felony, and sentenced to a three (3) year conditional discharge and required to pay a \$200.00 surcharge and a \$10.00 victim's assurance fee. As a result of this conviction, Respondent violated New York State Education Law

CERTIFIED TRUE COPY

§ 6530(9)(a)(1). By the terms of the New York Order, Respondent is prohibited from practicing medicine in New York or in any other jurisdiction where that practice is dependent on a valid New York State license to practice medicine, and Respondent is required to appear at a hearing before a committee on professional conduct of the New York Board.

Respondent, through counsel has represented to the Board that at the present time she is not engaged in the practice of medicine in the State of New Jersey. The Board and Respondent seek to resolve this matter without resort to further proceedings, and recognizing that Respondent agrees not to practice medicine in New Jersey until further Order of the Board, and the Board finding the within Order is sufficiently protective of the public interest and for good cause shown,

IT IS, THEREFORE ON THIS 15th DAY OF April 2005, ORDERED THAT:

1. Effective immediately, Respondent voluntarily agrees to, and shall cease and desist the practice of medicine in the State of New Jersey until further Order of this Board.

2. Respondent's original New Jersey license and current biennial registration shall be held in escrow by Barry Levin, Esq., during the period this Order is in effect.

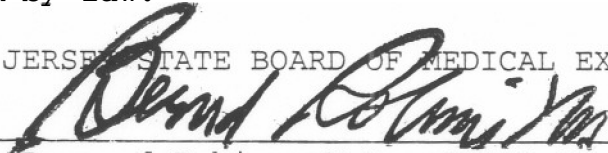

3. After all matters pending before the New York Board have been resolved, Respondent shall immediately provide to the Board copies of the final Order issued by the New York Board. The Board

reserves the right to enter a Final Order **based** on the criminal conviction pursuant to **N.J.S.A.** 45:1-21(f) and any sister state action taken by the New York Board pursuant to **N.J.S.A.** 45:1-21(g) or require Respondent to **appear** before a committee of the Board to demonstrate full satisfaction of this Order.

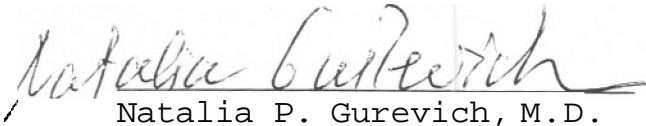

4. The Board may at **any** time **hereafter** **exercise** any authority conferred by **law**.
